
Hey Parents!

Have you heard of the
**Healthy Kids
Community Challenge?**

This is an exciting community program to promote kids' health, and support kids to be active and eat healthy.

Until March 2017, the focus of the Healthy Kids Community Challenge (HKCC) is **healthy hydration** and supporting kids and families to choose healthy beverages as often as possible. The tagline is **Water Does Wonders**

We want your input!

Please complete this quick survey by **September 15, 2016** for a chance to win a **\$50 gift card** to a 'family friendly' local store. Two winners will be randomly drawn after the survey closes.
