Do you care about food? Do you want to make sure food is a vibrant item on the menu during the federal election? Then come and join us for a delicious meal and a community conversation. Using the Peterborough Food Charter as an avenue to structure our discussions, the Peterborough Food Action Network's and Nourish's *Eat Think Vote* event will help us discover what the party platforms say about food, interact with local candidates, and talk about why access to healthy, just and sustainable food is essential to all of us.

Don't forget to register online at events@nourishproject.ca or by calling 705.743.3526 ext. 119

Join Nourish & Peterborough Food Action Network (PFAN)
